# ABOUT ME

My name is David Gregory and I work as a freelance designer/ illustrator based in South Wales.

Being part of the animation industry for many years I have worked on a variety of exciting projects. I've produced designs for children's television series, books, ex-plainer videos, online content, apps, games and short films.

I am passionate about my work and have always aimed to achieve a high quality level of finish to my illustrations. I have always been commended for my presentation and quality of designs I produce for my clients.

# EXPERIENCE

## DAVID GREGORY ARTWORKS – FREELANCE ARTIST

Freelance designer / Illustrator specialising in character/background/ prop design, storyboarding, layout, book illustration and graphic design.

## DG DESIGNS – OWNER & DESIGNER

My graphic design company. I produce designs for print on a variety of products.

## LEAD DESIGNER / ILLUSTRATOR

### The Dumping Ground Series 8,9 & 10 - CBBC

As lead illustrator on the Dumping Ground for series 8, 9 & 10, I produced designs for characters, props & backgrounds for the animated scenes in all episodes.

## PRODUCTION DESIGNER & ILLUSTRATOR

### Mr Bean Animated Series - Series 2

During my time with Tiger Aspect I worked as a production designer on the BAFTA nominated animated 2nd series of Mr. Bean. My job consisted of creating backgrounds and character turnarounds. Using Cel Action I rigged characters and created animatable props ready to go into animation. I also put together layout for 15 episodes.

### Aliens Love Underpants - Panta Claus- Sky One Christmas Special

Collaborating with Studio 43, I worked as a designer & artworker producing and preparing assets for the upcoming Sky One Christmas special " Aliens Love Underpants - Panta Claus" .

## DESIGNER / ILLUSTRATOR

For Sixteen South I worked as a designer on a pilot based on the children's book series Pinkalicious. During my time on this project I created character turnarounds, props, vehicles and backgrounds.

## LEAD DESIGNER / ILLUSTRATOR & STORYBOARD ARTIST

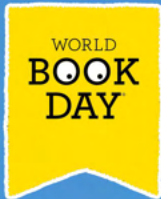

### MC GRAMMAR

I have worked on a variety of productions for MC Grammar. Below are a few projects.

As lead designer/ illustrator on Wonder Raps Series 2, I produced characters, props & backgrounds for 10 music videos. I also set all 10 artwork styles & producing storyboards for the series.

The show was distributed on Sky Kids & Now TV.

Another MC Grammar related project I worked on as a design/ illustrator was for the music video for World Book Day called ' Reading Is Amazing'. I produced all the artwork in the video , a promotional poster and storyboards for the whole sequence.

This was aired on YouTube.

On Rap Tales I was part of the design team producing designs for props and backgrounds. These were created and taken into Cel Action to animate. The background & props style was set by my myself at the start of the production and I then went on to produce artwork on a number of episodes across the 10 part series. I also produced artwork for the title sequence.

This series is being aired at the end of 2023 on Sky Kids / Now TV.

## BOOK ILLUSTRATOR

In 2023 I was asked to be an illustrator for the Welsh book publisher Darllen Co. All books are written in the Welsh-language as online reading resources for primary school children, teachers and parents in Wales. I can be found under Illustrators on their website.

To date I have produced 3 educational books & 2 books for the time traveling series ' Y Gwli I'r Gorrffennol ' which translates in English to 'The Path To The Past'.

# EXPERIENCE

## DESIGNER & STORYBOARD REVISIONIST

### Thorgar - Pilot Episode

I 1st worked as a designer creating turnarounds, preparing character rigs , producing expressions & hand poses, asset shapes, props and backgrounds for an upcoming 2D pilot called "Thorgar".

### Horrid Henry

I also worked as a storyboard revisionist for an episode of Horrid Henry.

## FREELANCE DESIGNER / ILLUSTRATOR

As a freelance designer for Ted Group, I have created various character designs and illustrations for a number of different projects. Below are a list of projects I've worked on.

### Seaside Squad

I've worked on a number of projects for the Seaside Squad brand. This includes 2 children's books called "The Seaside Squad Early Learners Book" & "Shiver Me Timbers"

As well as books I have produced illustrations of the 6 characters in different costumes. This artwork was then used on packaging for costumes of the cuddly toys for each character. These toys will be sold at Haven resort shops.

### The Bugs Of Crawley Forest

I produced character designs for the 4 main characters. These designs were then used to make hand puppets for stage shows.

MARELLA  
CRUISES

### Marella Cruises

For Marella Cruises I created some t shirt graphic designs which were worn by the crew for shows on their ships. I also designed game show panels & stage side pieces.

### Haven

For Haven I produced artist impressions of various locations for Haven resorts.

### TUI Fringe Festival

For TUI I created an illustrated map of one of their holiday resorts for their Fringe Festival. This illustrated different events & their locations in the resort.

# EXPERIENCE

## DESIGNER / ILLUSTRATOR

I produced illustrations for 12 existing children's books which were chosen for the Blue Peter Book Club. These illustrations were then animated to explain the story of each book to the audience.

I worked as a designer on a variety of other projects. In which I created character designs, props and backgrounds for 4 short films. These were produced for the Pennine Care NHS Foundation Trust, Brightlife Cheshire, Tameside Phar - Air Quality. I also produced hand drawn images and sequences which were used for a film called 'Amazon Adventure'.

## ASSET CREATOR & STORYBOARD ARTIST

My job was to create & design a series of assets for 18 short animations for BBC Bitesize History. These consisted of character rigs, props & backgrounds. These assets were created in Photoshop and then later used to animate in After Effects. I also created storyboards for 2 of the episodes.

sun & moon

## DESIGNER / ILLUSTRATOR

At Sun and Moon I developed & produced illustrations for 2 games / apps called 'Kids & Divorce' and 'Eye Can Fly'.

I also created illustrations for diagrams & info graphics which were used on the BBC Bitesize PE website.

## BACKGROUND DESIGNER

My job was to create a number of backgrounds which were used for an opening sequence to a Cbeebies show called " Our Family". These backgrounds were created in both Photoshop & Illustrator.

# EXPERIENCE

## DESIGNER / ILLUSTRATOR

Working on Project X, My job was to design characters and environments for a series of short 2D web animations for Oxford University Press. These were aimed at junior school level children.

## DESIGNER , ILLUSTRATOR & STORYBOARD ARTIST

For the last few years I've worked in collaboration with Prawnimation producing designs , illustrations & storyboards for many projects for various clients. They vary from explainer videos, short online films, advertisements & short films. Below is a list of some projects I've worked on.

大成 DENTONS

### Dentons

For Dentons I produced a storyboard followed by illustrations for an animated Christmas card video.

### English National Opera

For The English National Opera I produced artwork for a video promoting their upcoming play " The Merry Widow " .

RYDAPT®

### Rydapt

For Rydapt I created illustrations as well as info graphics for 2 explainer videos.

### Standard Bank

For Standard Bank I produced a storyboard followed by designs for an animated Christmas card video.

### Thrive Global

For Thrive Global I worked on 6 short explainer videos. I produced storyboards as well as artwork for the 6 modules.

Zoopla

### Zoopla

For Zoopla I produced info-graphics for a short explainer video.

## DESIGNER / ILLUSTRATOR

For Scary Beasties I produced designs/illustrations of animals within environments for a BBC Earth colouring app.

# EXPERIENCE

## FREELANCE DESIGNER & BOOK ILLUSTRATOR

For Candy Jar Books I illustrated two 20 page children's books called Rhumbi Rhino & The Grubby Gremlin.

### Rhumbi Rhino

Since producing the Rhumbi Rhino book for Candy Jar, I have continued to work with the author producing illustrations for the brand. Creating artwork for a colouring & handwriting book.

## STORYBOARD ARTIST & DESIGNER

I've worked on a few short animations for Savage & Gray. For these projects i've produced illustrations & also coloured storyboards. These films were for NHS Wales , Memory Matters , Swansea University & Excelerate.

## DESIGNER

For Cobalt Morning I worked as a designer producing assets for the Lily Buds World App.

## STORYBOARD ARTIST / DESIGNER

For Electric Robin I produced a number of storyboards and assets for a Dan TDM Youtube series.

## CHARACTER DESIGNER

For Moley Tv I designed characters for 6 short animations for 'Twisted Fairy Tales ' on Youtube. These animations were narrated by William Shatner.
